

Dear Patrolling Members

Unfortunately we have had to make some adjustments to patrols. Due to an oversight when the patrol roster was developed a number of dates were left without an allocated patrol.

We have looked at the most equitable way to allocating these patrols and as you may appreciate this can be a challenge, a change in one area often affects the roster in another area.

As a result of the required changes some patrols will need to do additional patrols. Attempts have been made to try and spread the requirements for individual patrols out so that they are not patrolling consecutive weekends. To support members who are unable to make patrols due to changes in dates or the frequency of date the following strategies can be utilised to support members.

1. Any patrol captains who are unable to attend please contact Peter Wright-Smith who will arrange a substitute for you.
2. If you are a patrol member who is unable to attend please contact your patrol captain to arrange a substitute for you
3. If a substitute unable to be arranged for a member and the member has informed the Patrol Captain or Club Captain the member will not receive penalty (in terms of 'no show'- percentage of patrols attended over the season). This strategy is only available to members in March and April 2010.

Any members who are able and willing to do additional patrols are encouraged to contact Patrol Captains for the dates they can help out as your services maybe required to support the substitution of other members who are unable to attend.

If you have any enquires about the changes or supports available please contact Peter Wright-Smith or Gaye Adlington.
